

Celebrate Creativity!

Mound School wants to build another permanent Tile Wall of artwork created by our students. Your child's artwork can be part of this project by purchasing a tile for the wall. Each student is invited to submit a drawing from school or use a favorite piece of art from home. Please follow the SilverGraphics Art Guidelines found at: www.silvergraphics.com/Art_Guidelines.html. Families can then order professionally made products imprinted with their child's artwork. We expect to have products by December 7th, in plenty of time for gift giving over the holidays. These items make wonderful keepsakes and unique gifts.
